

TO THE FOLKS BACK HOME

Echoes of The Great War

Mansfield Area Historical Society

The Mansfield Area Museum recently finished the book on WWI, *To the Folks Back Home: Echoes of the Great War*. It contains letters that area soldiers, from Wright, Douglas, and Webster Counties, wrote home to their families and that were published in the *Mansfield Mirror*, combined with information on events that were occurring in Mansfield and the rest of the world. These are hardback books that can be purchased at the museum for \$29.99 plus tax.
